If you HAVE made an appointment, please print the following forms, complete, and sign them. Bring them to your first session.

If you do NOT have an appointment and would like to make one, please let Michael Schuman know in your return inquiry. Please include a phone number and time of day you may be reached. . .or call the office at 713-662-8511.

Please anticipate the first visit may take one and one-half or two hours. . .sometimes a bit more.

All New Clients:

Please complete the Thank You for Choosing, Client Bill of Rights, and Confidential Case History forms.

You may keep the first two pages of the Client Bill of Rights form for your records. Please bring the signed third page with you.

Please print the Client Feedback form, but hold it until your session or sessions are complete. Then, please make your comments and mail the form to the office.

Pain Alleviation, Weight Loss, and Stop Smoking Clients:

Please complete the appropriate questionnaire and also bring it with you to your first session. The questionnaire for your specific issue will be helpful in designing appropriate sessions customized for you.
